WHAT Launch of *Minimalism* by Florence Notte
WHERE Opera Gallery
WHO CAME Olivier Caron, Jacky Deromedi and Marc Piton

DRAMA, COLOUR AND POETRY were aswirl at Opera Gallery during the launch of *Minimalism*, FLORENCE NOTTE'S latest photographic book featuring graphic images of everyday life artfully paired with haikus. As they weaved through the gallery, guests such as DIANA WIDJAJA and MARIA SEE discussed the works over spirited conversations fuelled by champagne and delightful Japanese canapés.
